

Press Note on EPTRI MoU with FCRI, Hyderabad

Environment Protection Training & Research Institute (EPTRI) has signed Memorandum of Understanding (MoU) with Forest College & Research Institute (FCRI), Hyderabad in the fields of collaborative Education, Training and Research. The MoU was exchanged by Sri Adhar Sinha, IAS, Spl. Chief Secretary to Government & Director General, EPTRI and Smt. Priyanka Verghese, IFS, Dean, FCRI at EPTRI. Speaking on the occasion Sri Adhar Sinha, IAS stated that the MoU will benefit both institutions. He further added that students will get exposure by working on live projects and collaborative research in environment can be strengthened by the experts of both institutions. Smt. Priyanka Verghese, IFS, stated that as both institutions are research oriented, FCRI will extend support in the areas of Forest related studies for further strengthening of this vital sector.
